

## ***THANK YOU***

For over 12 years, hundreds of sponsors, donors and volunteers have donated their time and talents to make the Jan Hurley Memorial Pink Ribbon Golf Tournament a success. Your commitment has been instrumental in helping us raise more than \$250,000 since the outing's inception.

This annual golf outing continues to honor the two driving forces that brought Jan's Place to life: Jan Hurley and Paula Knight. It was Jan who touched us in such a way that a group of her friends and family started this wonderful event, and it was Paula's willful drive and determination that brought Jan's Place to life. We shall not forget these two incredible women whose spirit we celebrate each year at the Jan Hurley Memorial Pink Ribbon Golf Tournament.

Once again, we thank you for your generous support and participation. If you have not participated in the past, we encourage you to join us this year for a great day of golf and fellowship. Welcome!

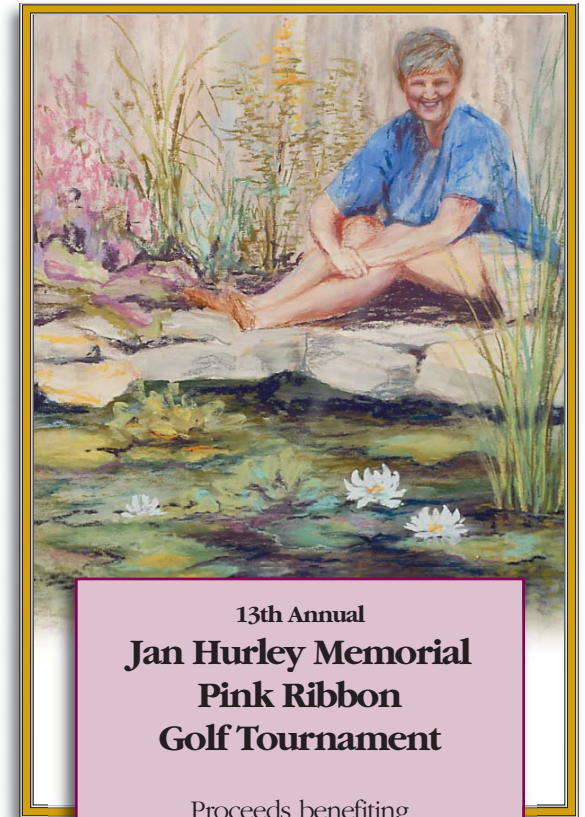

## ***JAN HURLEY FAIRWAY OF HONOR***

All of us know a loved one or a friend who has faced the challenges of being diagnosed with cancer. The Jan Hurley Fairway of Honor is a unique opportunity for you to honor those individuals whose spirit and determination in the battle against any form of cancer has touched your life.

Your \$25 donation per honoree will allow us to display a personalized marker on the Jan Hurley Fairway of Honor to honor and remember those who have lost the fight or continue to fight against this terrible disease. The markers will be displayed on the 18th hole of the course the entire day of the outing.

To participate in this very personal tribute, please complete the Fairway of Honor section in the enclosed registration form.

***MOUNT CARMEL MOBILE  
MAMMOGRAPHY & WOMEN'S  
HEALTH SERVICES***

While it is staggering to know that one in eight women will be diagnosed with breast cancer in her lifetime, it's heartening to learn that women who have annual mammograms and develop breast cancer have a much higher likelihood of cure. That's primarily because the cancer will be found at the earliest, most treatable stage.

Women forego mammograms for a variety of reasons: location, convenience, family and work obligations, time, cost, fear and denial. The Mount Carmel Mobile Mammography Program removes many of these barriers to early breast cancer detection by offering screening mammograms to women where they live and work – women who might otherwise be unable to obtain a mammogram. These screenings offer them the best known chance for decreasing their mortality and improving their survival.

Mount Carmel is committed to providing access to screening mammograms to women of all walks of life throughout central Ohio. Your support of the Jan Hurley Golf Tournament will help us continue to do so.

***FAIRWAY OF HONOR***
