MOUNT CARMEL
Foundation

Your Foundation at work

Charitable gifts contributed to the Mount Carmel Foundation make an impact every single day by fulfilling the founding mission of Mount Carmel. Over the past three years, in spite of the economic downturn, our Associate Giving Appeal has established all-time high levels of “giving back” to support Associates in need as well as Mount Carmel patients and their families.

Here are some examples of how we are impacting lives:

Patient Care

The Mount Carmel Foundation allocates dollars annually to directly help our patients by providing (but not limited to):

- Car seats for uninsured patients
- Glucometer testing strips for uninsured diabetic patients
- Bibles and crucifixes for patient rooms at all of our Mount Carmel hospitals
- Scrapbooking Programs for parents of NICU patients
- Stroke support groups
- Massage therapy for palliative care patients

Sister Rose Thomas Fund

The Sister Rose Thomas Fund helps Mount Carmel employees during a time of crisis or need by providing no interest loans that can be paid back over a period of time. This fund has helped hundreds of Mount Carmel associates each year.

Nursing Scholarships

Through the Mount Carmel Foundation, last year, the Mount Carmel College of Nursing was able to provide scholarships to 153 nursing students, totaling \$286,500.

MCE Shuttle Bus

In 2009, Mount Carmel East associates joined together to raise enough money to purchase a new shuttle bus for our associates, patients and guests.

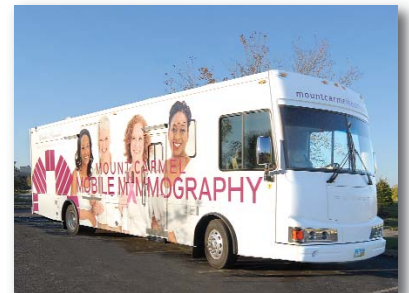

PrescriptionEase

Mount Carmel's PrescriptionEase program helps patients who do not have the resources to pay for their prescription medications. This program is funded entirely by the Mount Carmel Foundation and serves more than 1,200 Mount Carmel patients EVERY year.

Mobile Mammography & Cancer Survivorship Programs

Last year, the Foundation was able to raise enough funds to purchase a brand new Mobile Mammography unit, and was able to supplement funding to sustain many of Mount Carmel's Cancer Survivorship Programs, including the Breast Cancer Exercise and Gentle Yoga programs.

Community Outreach

Since July 1, 2010, the Mobile Outreach Medical Coach has served more than 4,000 patients in central Ohio, who otherwise would have no access to health care. This service is funded 100% by the Mount Carmel Foundation.

Thank you in advance for your support of the Mount Carmel Foundation through the 2011/2012 Associate Giving Appeal. Every single dollar helps us to continue to touch lives.
